

2022 Pulp & Paper Packaging Traceability - Supplier and Mill List

The following lists will be updated annually to reflect the most current data and information as reported to or gathered by Hershey. During the period of January through December 2022, The Hershey Company sourced pulp and paper materials from 54 suppliers serving our routine global business operations.

The following mill listing and countries of harvest were self-reported by pulp and paper packaging companies and their suppliers and has been consolidated by a third party. To the best of our knowledge, the information contained in this list is accurate and reliable as of the time of publication.

We welcome any stakeholder who has reliable data that is inconsistent with our own reporting to share it with Hershey so we may analyze it and update our supply chain disclosure, if necessary.
